BUCKET 15

Simple and durable, the BUCKET 15 rope bag allows you to store up to 45 meters of 11 mm diameter rope. It remains upright and keeps its shape, even when empty, for easy access to the inside of the bag. It has an exterior pocket to store personal items and a marking area to quickly identify the contents of the bag. Made with TPU tarp material, it's designed to withstand regular to intensive use. Available in three colors: yellow, red, and black.

The bag can store up to 45 meters of 11 mm diameter rope.

A roll top closure provides optimal protection against moisture.

A marking area on the outside allows you to quickly and easily identify the contents of the bag.

The two large handles allow the bag to be carried by hand and can also haul up to 50 kg.

Short Description	Freestanding bag. 15 liters
-------------------	-----------------------------

Selling Points	• Freestanding rope bag: - 15 liters of volume can store up to 45 meters of 11 mm diameter rope - Two interior loops make it possible to attach the two rope-ends for quick identification - Four interior loops for racking equipment or connecting a TOOLBAG tool pouch - Roll top closure to provide optimal protection against moisture - Two large, comfortable handles for carrying by hand and hauling up to 50 kg - A handle allows for positioning at the workstation - External zippered pocket for personal items - Marking area on the outside to quickly identify the contents of the bag • Excellent durability for intensive use: - High-strength TPU (PVC-free) tarp material for regular to intensive use; it is resistant to UV exposure (doesn't fade), to oil, grease, and high and low temperatures, and is chlorine-free (no odor) - Water-resistant fabric • Available in three colors (yellow, red and black)
----------------	---
