TARP PRO

TARP PRO is a large rope tarp. It provides a 100 x 100 cm area to protect the rope from dust and dirt and can be quickly and easily stored in the BUCKET 30 or BUCKET 45 rope bags.

Short Description Large rope tarp

Selling Points

- Large rope tarp:
 - Provides a 100 x 100 cm clean area for the rope
 - Protects rope from dust and dirt
 - Also great for long ropes
 - Makes storing the rope easier and allows you to separate the work rope from the back up rope inside the bag
- Easy to use:
 - Four handles for easy transport
 - Color-coded for rope end identification
- Durable and versatile:
 - Abrasion-resistant coated canvas
 - 420-denier tarp
