DUFFEL 85

Designed to be carried in multiple ways, DUFFEL 85 is a convenient, ergonomic bag with a volume of 85 liters. The back and shoulder straps are padded for comfort when used as a backpack. Versatile, it can be carried in multiple ways with removable shoulder straps. The large opening allows easy access to equipment, including two pockets in the inner flap and a large side pocket for a helmet or shoes. A large transparent area allows rapid identification of the bag. It is constructed of high-strength TPU tarp material for intensive use. Available in two colors: yellow/black and black.

Large D-shaped opening for easy equipment organization.

Large side pocket with zipper closure to separate helmet, shoes, or other objects from the rest of the equipment.

The high-strength TPU (PVC-free) tarp material allows regular to intensive use.

Padded, adjustable back and shoulder straps for comfortable carrying.

Short Description	Transport bag. 85 liters
-------------------	--------------------------

Selling Points	• 85 liter transport bag, ergonomic and convenient: - Padded back and shoulder straps for comfortable carrying - Two carry options: as a backpack or over the shoulder - Four compression straps to optimize bag volume and to reduce shifting of equipment during transport - Rapid buckles allow the shoulder straps to be completely removed • Easy access to equipment: - Large D-shaped opening for easy equipment organization - Two pockets (one with a key clip) in the inner flap to organize documents and personal items - Large side pocket with zipper closure to separate the helmet, shoes, or other objects from the rest of the equipment - Transparent area for quick and easy identification of the bag - Four webbing handles around the bag for easy handling on all sides - Eight equipment loops inside the bag - Able to lock zippers with a padlock • Excellent durability for intensive use: - High-strength TPU (PVC-free) tarp material for regular to intensive use; it is resistant to UV exposure (doesn't fade), to oil, grease, and high and low temperatures, chlorine-free (no odor) - Black bottom and sides are welded for abrasion and tear resistance - Shoulder straps with steel attachment buckles with anti-corrosion treatment • Available in two colors (yellow/black and black)
